

*What If from Intertwined
Lyrics*

TEEN GIRL:

What if I felt more alive
What if I didn't have to try
What if I didn't feel so alone inside?*

ABORIGINAL MAN:

What if I was born white
What if I didn't have to fight
What if I didn't live in a state of flight?

AUSTRALIAN SOLDIER:

Never had to raise my gun
What if I could be a young man of fun?

TEEN GIRL:

What if her life didn't end?

ABORIGINAL MAN:

Why does my life offend?

AUSTRALIAN SOLDIER:

What if he wasn't my foe but my friend?

CHORUS (ALL):

What ifs are ways of
Playing a different game
Of wondering if life could go another way
What ifs are ways of
Not staying the same
Of wondering if life could go another way

TEEN GIRL:

What if I could stand tall
And not worry at all
What if I didn't have to fear I'd fall

ABORIGINAL MAN:

What if I was seen as a man
And people could just understand
My connection to my people and land?

AUSTRALIAN SOLDIER:

What if this world had peace
Would all the fighting cease?
And all the prisoners be released?

TEEN GIRL:

What if I wasn't stuck in one place?

*What If from Intertwined
Lyrics*

ABORIGINAL MAN:

What if it wasn't always about race?

AUSTRALIAN SOLDIER:

What if peace could rule in our hearts in this place?

CHORUS (ALL):

What ifs are ways of
Playing a different game
Of wondering if life could go another way
What ifs are ways of
Not staying the same
Of wondering if life could go another way
Go another way

Bridge

ENSEMBLE A:

What if we do nothing

ENSEMBLE B:

It isn't the option here

ENSEMBLE A:

What if we stand still--

ENSEMBLE B:

It won't disappear

ENSEMBLE A:

What if we walk instead

ENSEMBLE B:

In the light of peace and light?

COMPANY:

And not let hatred win this fight?

CHORUS (ALL):

What ifs are ways of
Playing a different game
Of wondering if life could go another way
What ifs are ways of
Not staying the same
Of wondering if life could go another way
