

*Walking Down the Street from Intertwined*  
*Lyrics*

ABORIGINAL MAN:

Walking down the street  
feeling just fine  
got a million little things  
running through my mind  
gotta make enough dough  
to pay all these bills  
gotta keep close to country  
to these here hills  
everywhere I look  
everywhere I turn  
there's so much history  
so much to learn
