

Cowra from Intertwined
Lyrics

TEEN GIRL (SPOKEN):

We're going to Cowra? I thought you said Nowra!
Seriously Dad!
that's bad (groans)
You said what?
I could learn a lot?
What in Cowra?
Urgh Dad!

TEEN GIRL (SUNG):

No beach, just pubs
do they even have wifi?
for the love, of all
that is young like me
Take a trip, to a town
300k's from Sydney
some holi—day
this will be

CHORUS (TEEN GIRL):

Cowra what's so special about you?
Cowra can you teach me a thing or two?

AUSTRALIAN SOLDIER:

In '44, caught a train
had no idea where I was goin'
sent to Cowra
so much pain, lay in front of me
Took a trip, to this town
one-eighty (180) miles from Sydney
no holiday
this turned out to be

CHORUS (AUSTRALIAN SOLDIER):

Cowra what's so special about you
Cowra, can you teach me a thing or two!

BRIDGE (ABORIGINAL MAN):

Hear the wind
through the trees
calls my name
on the breeze
Feel the sun
on my skin
reviving me
outside in

Cowra from Intertwined
Lyrics

River bends
water flows
family's here
fire glows
Grasses sway
grounded here
connection sends
away fear

CHORUS (ALL):

Cowra what's so special about you?
Cowra can you teach me a thing or two?

TEEN GIRL:

Speaking of two, It's 2 o'clock
what time does it start to rock
around here, and do you
have Uber Eats?

AUSTRALIAN SOLIDER:

It's quiet now, but quieter then
in '44 in Cowra
'cept in the Camp, when I walked
on those streets

CHORUS (ALL):

Cowra what's so special about you?
Cowra can you teach me a thing or two?

SUNG IN PARTS:

There are stories to be told
(of lives gone before us)

There are lessons to be learned
(of lives lived among us)

There is wisdom to be heard
(of lives lived within us)

Together:

When we listen to their words

CHORUS (ALL):

'Cowra what's so special about you?
Cowra can you teach me a thing or two?'
