**CHORUS (ALL):**

Send away the shame  
Let the lessons stay  
We're gonna rise up  
Not play the blame game  
It's a new day  
We're gonna do it our way  
We're gonna rise up  
Let the Cowra memories stay  
Let the Cowra memories stay

**Verse 1**

**TEEN GIRL:**

Tomorrow is a new day  
I have learned to face my pain  
I am not afraid  
Of the dark anymore  
I have opened up the door  
And inside of me I will not store  
Hatred of my brothers  
As my enemies

**Bridge**

**ABORIGINAL MAN:**

Hear the wind  
(Peace is flowing...)  
Through the trees  
(...like a river...)  
Calls my name  
(...flowing out for...)  
On the breeze  
(...you and me...)

**Verse 2**

**AUSTRALIAN SOLDIER:**

So we came here to Cowra  
Turned out to be a place of power  
Where my once enemies I learned to see as friends  
Because hatred paid no dividends  
And if you take just one thing away from this

**ABORIGINAL MAN AND AUSTRALIAN SOLDIER:**

Know that we're still here and we're not less

**AUSTRALIAN SOLDIER:**

Life's too short, don't live full of regret  
Lest we forget, lest we forget, lest we forget, lest we forget

**CHORUS (ALL):**

Send away the shame  
Let the lessons stay  
We're gonna rise up  
Not play the blame game  
It's a new day  
We're gonna do it our way  
We're gonna rise up  
Let the Cowra memories stay  
Let the Cowra memories stay

**Verse 3**

**ALL:**

Fight for life  
Fight to win  
Fight for nation's pride  
Fight for you  
Fight for me  
Fight for your side  
Fight for country  
Fight for us  
Fight to turn the tide  
Fight for place  
Fight for peace  
Fight or hide

**ALL:**

Fight for life  
Fight to win  
Fight for nation's pride  
Fight for you  
Fight for me  
Fight for your side  
Fight for country  
Fight for us  
Fight to turn the tide  
Fight for place  
Fight for peace  
Fight or hide

**(SPOKEN): TEEN GIRL, AUSTRALIAN SOLDIER & ABORIGINAL MAN:**

No more what ifs  
Start from today  
Change your mindset  
Change your ways  
No more shame  
No more silence  
No more hatred  
No more violence
